

HELLO!

Following on from our hugely successful 2018
Spring Ball we would like to invite you to support us with our Glitter Ball on Friday 27th September 2019, held at the prestigious Carden Park Hotel in Cheshire.

Guests will be greeted with a glass of bubbly during the reception and treated to a delicious 3 course meal with wine, whilst being entertained by some fantastic live music, a superb auction and further entertainment throughout the evening – all in aid of the Wrexham Maelor Children's Ward. The ball promises to be a fantastic evening and not to be missed!

Our Children's Ward comprises of a 22 bedded inpatient ward, emergency admissions unit, day case unit and a large outpatients department.

We look after children and young people from birth to 18 years from a variety of specialties including high dependency, oncology and chronic conditions such as diabetes, cystic fibrosis, asthma etc. Our service users come from all across Wrexham and Flintshire as well as parts of Shropshire, Powys and Gwynedd.

Over the past few years we have been filmed by BBC Wales for two separate series; a fly on the wall documentary, with the latest being aired on the BBC this year. This offers a unique insight into the work we do and the special families we look after.

If you would like to catch a glimpse of the wonderful care the Wrexham Maelor Children's Ward team provides for our special patients and families please download our second series of The Children's Ward on BBC iPlayer. Filming took place during March 2018; we hope you enjoy a behind the scenes look into this real-life series.

SPONSORSHIP OPPORTUNITIES

We can provide a great marketing opportunity for our main sponsors – We have over 17,000 staff members who receive regular communication through our corporate channels.
