

Diolch gan Mark Polin Cadeirydd BIPBC

Yn dilyn ymateb anhygoel i'n cais, camodd gwneuthurwyr gwirfoddol lleol - ysgolion a cholegau, busnesau, selogion technoleg ac academyddion, staff y GIG ac eraill - ymlaen i helpu i gynhyrchu fisorau wyneb i helpu i amddiffyn ein gweithwyr allweddol.

Mae'r galw am y math hwn o PPE wedi bod yn anferth dros y byd i gyd. Roedd hyn yn rhoi pwysau enfawr ar ein tîm caffael ein hunain gan nad oeddem yn gallu prynu'r fisorau â'r Marc CE ychwanegol sydd eu hangen ar gyfer staff rheng flaen.

Mae'r parodrwydd a'r ymdrech ar y cyd a wnaed i gamu ymlaen ac i gynorthwyo cymuned Gogledd Cymru wedi bod yn ysgubol. Dylai pawb deimlo'n falch iawn o beth mae chi yn y 'gymuned gymunedol' wedi ei gyflawni mewn amser mor fyr.

Rydym wedi cael sicrwydd bod digon o fisorau â'r Marc CE ar gael ar gyfer staff BIPBC sy'n golygu nad oes angen fisorau ychwanegol.

Ar ran y Bwrdd Iechyd, hoffwn ddweud diolch i bawb sydd wedi gwneud gwaith gwirfoddol i helpu. Efallai y bydd angen eich cymorth eto yn y dyfodol, ond am y tro rydym am fynegi ein diolch diffuant am bopeth rydych wedi'i wneud.

Thank you from Mark Polin BCUHB Chairman

Following an amazing response to our call to arms, local voluntary makers – schools and colleges, businesses, tech enthusiasts and academics, NHS staff and others – all stepped in to help produce face visors to help protect our key workers.

The demand for this type of PPE has been huge across the globe. This placed huge pressure on our own procurement team as we were unable to purchase the additional CE Marked visors needed for frontline staff.

The collective willingness and effort made to step in and to assist the North Wales community has been overwhelming. We should all feel very proud of what you in the 'maker community' have achieved in such a short time.

We have now been assured that there are sufficient CE Marked visors available for BCUHB staff which means that additional visors are no longer required.

On behalf of the Health Board, I want to say thank you to everyone that voluntarily stepped in to help. Your assistance may be needed again in the future, but for now we want to express our sincere gratitude for everything you have done.
